Forecast for Sunday 19 Sep 2021

Weather: Cloud increasing overnight as showers spread from the south. Showery for much of the day with only limited bright and sunny spells, with some heavier outbreaks appearing. From early afternoon dry and increasingly bright conditions will spread from the southwest.

Chance of cloud free mountain/hill tops above 800m: 75% increasing to 95% plus by late afternoon.

Visibility: Good or very good, falling moderate or poor in showers, also very poor in hill fog in these showers, chiefly during the morning, with bases occasionally lowering 500m.
